

# Whole Lot More

Billy Currington

Sure feels good, sure feels right  
Sure enough feels like love tonight  
There ain't no movie, there ain't no bar  
Ain't nothin' out there, beats where we are  
Lay back baby, catch your breath  
This fire ain't as hot as it's gonna get  
We're just getting started, ain't close to done  
There's a whole lot more where that came from  
We've been workin' so hard, had no breaks  
Gotta lotta overdue to love to make  
If we get no sleep, well, that's okay  
'Bout time, you and me got this way  
Well, lay back baby, catch your breath  
This fire ain't as hot as it's gonna get  
We're just getting started, ain't close to done  
There's a whole lot more where that came from  
Well, come on baby, we can't stop now  
No givin' in 'til we both give out, hurray!  
Yeah, lay back baby, catch your breath  
This fire ain't as hot as it's gonna get  
We're just getting started, ain't close to done  
There's a whole lot more where that came from  
We're just getting started, ain't this fun?  
There's a whole lot more where that came from  
Yeah, there's a whole lot more where that came from  
Oh yeah
