

It's Only Me

Holly Knight

Knocked down by careless talkinâ€™
They never see which way youâ€™re walkinâ€™
Walk away anyway
You shouldnâ€™t wait for the right reaction
You may not get that much satisfaction
Who are they, anyway?
And when they tell you that youâ€™re crazy
They never get to understand you
They missed the very best of you

You donâ€™t have to run from me darlinâ€™
You see itâ€™s only me
I will always be your shelter
You see itâ€™s only me

I love you more for your imperfection
And what I see if just a reflection of
who you really are
I can relate to your frustration
The price you pay for admiration
is never really easy
And when they tell you that youâ€™re crazy
They never get to understand you
They missed the very best of you

You donâ€™t have to run from me darlinâ€™
You see itâ€™s only me
I will always be your shelter
You see itâ€™s only me
You can tell it all to me darlinâ€™
You see itâ€™s only me
I love you just the way you are right now
Only me... itâ€™s only me, babe...
