

Never Take Away My Freedom

David Guetta

I may be wrong, I may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomI may be wrong, I may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomFreedom, freedom, freedom, freedom..I may be wrong and may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomI may be wrong and may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomFreedom, freedom, freedom, freedom...I may be wrong and may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomI may be wrong and may be right
I may never see the light
But you can never take away my freedomCan take everything I own
You can have and sing my song
You can never take away my freedomFreedom, freedom, freedom, freedom
