

# Wipe the Case Away (feat. Ty Real)

**Bobby Shmurda**

[Intro]

I'm tired of muthafucking lawyer fees  
I'm tired of these muthafucking court dates  
I'm tired of seeing this judge

[Pre-Hook: Ty Real]

Why they want to pin a felly on me?  
I ain't did nothing  
They acting like they got the dime on me  
Muthafuckers bluffing

[Hook: Ty Real]

I let my lawyer wipe that case away  
Oh, he wiped that case away  
I let me lawyer wipe that case away  
Oh, he wiped that case away

[Verse 1: Bobby Shmurda]

I told my lawyer, "I got 40 on me  
Is you trying to go to court for me?"  
These niggas trying to put a charge on me  
Why they wanna lock dudes up  
Why they wanna put some fraud on me?  
They said I ran with a tudge on me  
My momma prayed to the Lord for me  
While my niggas go to war for me  
My daddy paid the price hard for me  
He was trying to live life large for me  
He ran the whole nine yards for me  
And we was driving niggas 54 for grease  
We was in the courthouse oftenly  
Even though they see a star in a nigga  
The feds and sargeants still bother a nigga

[Pre-Hook + Hook]

[Verse 2: Bobby Shmurda]

Blow that case away, b-blow that case away  
So I went and stashed 100K just for a rainy day  
Niggas play, we letting semis spray, I catch a Fendi case

I dropped that body 'fore I hit the gate  
That's on my granny's grave  
My momma glad a nigga changed his ways  
I was in and out of drama each and every day  
We was flipping selling hard at my mama place  
Nigga we was trapping hard like it was '88  
First of the month, know that is my favorite day  
Girl, when you come, know that I'mma let you stay  
Girl, give me some, 'fore they try to take me away  
I don't even know how long they gonna make me stay

[Pre-Hook]

[Hook] x2
