Teachers

Agathocles

Imperial, righteous respects
'Cause we ain't done yet
Lock it down
And overthrow all the pilots
And get out of town
Can you see them smiling
Blisters, these bones are breaking
Whispers are louder than screaming
And we suffer this moment
Until the day is coming
That we'll reign forever
Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're pioneers
Training day
The soul of the lion, Jah love for the bleeding
Training day
Warrior soldiers, we still believe you
Crawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyes
Righteous respects
And it's the best kept secret
And I can let go of my burdens
That keep me from living
So I can start dying
Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're pioneers
Training day
The soul of the lion, Jah, love for the bleeding
Training day
Warrior soldiers, we still believe you
Warriors
Jah love for the bleeding
Jah soldiers

We still believe you
Crawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyes
Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're the pioneers
Training day
The soul of the lion, Jah, love for the bleeding
Training day
Warrior soldiers, we still believe you
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
