

Teachers

Agathocles

Imperial, righteous respects
'Cause we ain't done yet
 Lock it down
And overthrow all the pilots
 And get out of town
 Can you see them smiling
Blisters, these bones are breaking
Whispers are louder than screaming
 And we suffer this moment
 Until the day is coming
 That we'll reign forever
 Training day
'Cause I man is coming and we are the teachers
 Training day
We been through the fire, 'cause we're pioneers
 Training day
The soul of the lion, Jah love for the bleeding
 Training day
Warrior soldiers, we still believe you
 Crawling through poison I lay
 My soul still flies with broken wings
And the sun is blinding, I can't stop staring
 I don't wanna close my eyes
 Righteous respects
 And it's the best kept secret
 And I can let go of my burdens
 That keep me from living
 So I can start dying
 Training day
'Cause I man is coming and we are the teachers
 Training day
We been through the fire, 'cause we're pioneers
 Training day
The soul of the lion, Jah, love for the bleeding
 Training day
Warrior soldiers, we still believe you
 Warriors
 Jah love for the bleeding
 Jah soldiers

We still believe you
Crawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyes
Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're the pioneers
Training day
The soul of the lion, Jah, love for the bleeding
Training day
Warrior soldiers, we still believe you
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
