Whatever You Want It To Be

Palisades

Boys talking down, Iâ€™ve got them diamonds in my mouth.
Boys talking down, Iâ€™ve got them diamonds in my mouth.
Boys talking down, Iâ€™ve got them diamonds in my mouth.

I, knew always,
Iâ€™d be the taste on your lips,
Thatâ€™d make you sick to death.
You, knew always,
Iâ€™d be the mark on your chest
That youâ€™d never forget.

Lately youâ€™ve been killing me, killing me.
We were, we were meant to be, meant to be.
You were the breath I would take in my lungs,
And now you think that weâ€™re better alone.

I thought we had it all,
Somewhere we lost control.
Well we all make mistakes and this oneâ€™s on me,
I became what you hate, what you feared Iâ€™d be.
Now Iâ€™m in the dark,
Since we fell apart.
Now Iâ€™m caught in between every memory,
I have done all I can, but you still wonâ€™t let me in.

Boys talking down, Iâ€™ve got them diamonds in my mouth.
Boys talking down, Iâ€™ve got them diamonds in my mouth.
Boys talking down, Iâ€™ve got them diamonds in my mouth.

Smoke in your lungs,
Couldnâ€™t care less if I light you up.
Selfish motivationâ€™s what tore us up,
And now youâ€™ve seen enough.

Lately youâ€™ve been killing me, killing me.
We were, we were meant to be, meant to be.
You were the breath I would take in my lungs,
And now you think that weâ€™re better alone.

I thought we had it all,

Somewhere we lost control.
Well we all make mistakes and this oneâ€™s on me,
I became what you hate, what you feared Iâ€™d be.
Now Iâ€™m in the dark,
Since we fell apart.
Now Iâ€™m caught in between every memory,
I have done all I can, but you still wonâ€™t let me in.

Boys talking down, Iâ€™ve got them diamonds in my mouth.
Boys talking down, Iâ€™ve got them diamonds in my mouth.

Itâ€™s like a foreign tongue, we donâ€™t speak the same
Boys talking down, Iâ€™ve got them diamonds in my mouth.
Itâ€™s like a different story on a different page.

I thought we had it all,
Somewhere we lost control.
Well we all make mistakes and this oneâ€™s on me,
I became what you hate, what you feared Iâ€™d be.
Now Iâ€™m in the dark,
Since we fell apart.
Now Iâ€™m caught in between every memory,
I have done all I can, but you still wonâ€™t let me in.
