Damn Good

Here Come the Mummies

Time rolls on
That's as it should be
Here and gone
Seems to move so quicklyMan, we was happy, in our restless hearts
It was Heaven right here on Earth
Yeah, we were laughin' as we reached for the stars
And we had some for what it was worthThose were good times
Damn good times
Those were good times
Damn good timesHey, take a look at this picture
Can you believe that was you?
And who's that standin' there in the corner? Not me
Ahh, all the crazy things we used to doSure, we was acting like a couple of kids
Good to remember, you know that it is
I still feel it like the sun on my skin
Maybe that's better'Cause these are good times
Damn good times
Talkin' about good times
Damn good timesSo it's one for the money
But that don't make the show, no, no
Count to three and I'll be ready, yeah yeah
To follow that road, yes I willI see it comin', yeah, this one is ours
We got Heaven right here on Earth
Ain't nothin' like it, when you're reachin' for stars
And you grab one, for what it is worthYou can tell 'em
We'll be having good times
Damn good times
I'm talkin' good times, yes sir
Damn good timesGood times
Good times
You know good times
That's good
