

Only time - original version

Enya

Who can say
where the road goes where the day flows
only time

And who can say if your love grows
as your heart chose

only time Who can say
why your heart sighs
as your love flies

only time

And who can say
why your heart cries when your love lies
only time

Who can say when the roads meet
that love might be

in your heart And who can say
when the day sleeps

if the night keeps all your heart
Night keeps all your heart

Who can say
if your love grows
as your heart chose
only time

And who can say
where the road goes
where the day flows
only time

Who knows
only time

Who knows
only time
