Faded

Homeshake

Maybe if I sat her
Sat her on the side
She could feel better
She could ease my mind
And I know it ain't easy
She'll be easier
You won't have to see me
You'll be seeing her
As she'll be faded
Baby, I love your faded
Everyone looks so shady
Could believe you, baby
And you hate it
And I'm faded too
Baby, I don't know what to do
Look at us here
Just me and you
Feeling upset, we're faded
We're faded
I wish you could see it
Love is so good
Sad she doesn't feel it
Even if she should
And I know it ain't easy
She'll be easier
You won't have to see me
You'll be seeing her
As she'll be faded
Baby, I love your faded
Everyone looks so shady
Could believe you, baby
And you hate it
And I'm faded too
Baby, I don't know what to do
Look at us here
Just me and you
Feeling upset, we're faded
We're faded
Uh, how do I look?

Looking so good
