

I Need You (w. Tim McGraw)

Faith Hill

I wanna drink that shot of whiskey
I wanna smoke that cigarette
I wanna smell that sweet addiction on my breath
I wanna ride 'cross West Virginia
In the backseat of a Cadillac
You know some cowboys like me go out like that
So I need you Like a needle needs a vein
Like my Uncle Joe in Oklahoma needs the rain
I need you
Like a lighthouse on the coast
Like the Father and the Son need the Holy Ghost
I need you I wanna get lost in some corner booth
A cantina in Mexico
I wanna dance to the static of an AM radio
I wanna wrap the moon around us
And lay beside you skin on skin
Make love till the sun comes up till sun goes down again
'Cause I need you Like a needle needs a vein
Like my Uncle Joe in Oklahoma needs the rain
I need you
Like a lighthouse on the coast
Like the Father and the Son need the Holy Ghost
I need you Oh, I need you I wanna drink that shot of whiskey
I wanna smoke that cigarette
You know some cowboys like me go out like that
So I need you
Oh, I need you
I need you, I need you, I need you, I need you Ooo, I need you, I need you, I need you
I need you, I need you, I need you, I need you, too
