

# This Joke Sport Severed

## Manic Street Preachers

Loose and guilty and whipped  
Sterility persecutes and I have plenty  
Bruised and nailed and quit  
Merciful and mourned and meek

Jealousy sows rejection with a kiss  
In silken palms that tear bone from skin

This joke sport severed  
I endeavored  
To find a place where  
I became untethered

This joke sport severed  
I endeavored  
To find a place where  
I became untethered

Jealousy sows rejection with a kiss  
In silken palms that tear bone from skin

This joke sport severed  
I endeavored  
To find a place where  
I became untethered
