Pleasure Centre

Metallic Ghosts

You with those innocent eyes,
I'm catchin' on to you.
You can run ÃƒÂ¢??til the darkness comes,
But I'll find you.
How can I hold back?
You know what I'm drivin' at.

[Chorus]
Take me to your pleasure center.
Make this moment last forever.
Take me to your pleasure center.
(Ecstasy) Ecstasy.
Take me to your pleasure center.
You and I belong together.
Let's burn up the night forever.
Take me to your pleasure center.

You with the touch of an angel,
What a sweet disguise.
There's a demon inside my soul,
Telling me that it's time to let go.
When I contact you,
You know what I'm gonna do.

[Chorus]

How can I hold back?
You know what I'm drivin' at, drivin' at.

[Chorus]
