

I Got It Made

Special Ed

I'm your idol, the highest title

I'm your idol, the highest title, numero uno

I'm your idol, the highest title, numero unoI'm not a Puerto Rican, but I'm speakin' so that you know

And understand I got the gift of speech and it's a blessin'

So listen to the lesson I preach

I talk sense condensed into the form of a poem

Full of knowledge from my toes to the top of my domeI'm kinda young but my tongue speaks maturity

I'm not a child, I don't need nothin' for security

I get paid when my record is played to put it short

I got it madeI'm outspoken, my language is broken into a slang

But it's just a dialect that I select when I hang

I play it cool, 'cause coolin' is all that I'm about

Just foolin' wit' tha girlie's, yes I'm bustin' it outI'm Special Ed and you can tell by the style that I use

I'm creatively superior, yo, I never lose, I never lost 'cause I'm the boss

I never will 'cause I'm still the champion, chief one

Won't lose until I choose which I won't 'cause I don't retreat

I'll run you over like a truck and leave you dead in the streetYou're invitin' me, a titan to a battle, why?

I don't need your respect 'cause

I got it made
