## Autolux

You don't remember your dreams  
They still make you strange  
The Sun is a wheel  
The day is a cageYour history is a bitch  
You got one good arm  
We ain't gonna work  
On your ???You don't remember your dreams  
They still make you strange  
The Sun is a wheel  
The day is a cageLet them see your teeth  
Every crooked charm  
As she float over reef  
And you turn into ???
