Raw Real (Acoustic Version)

Cherri Bomb

Get chained up, let it free
This is you, this is me
When it ends, we begin
Say your prayer as I sinFollow rules or rebel
Keeps you crisp, live to tell
Once a false, but it's true
Once a lie, me and youMake a right, can't you see
That tonight, victory
Make a right, instantly
That tonight, victoryThis is life, this is death
This is right, this is breath
This is true, how I feel
This is raw, this is realThis is back, this is front
This is black, this is white
This is back, this is one
These are tears I won't cryThis is in, this is out
This is up, this is down
Make it right, give in more
But tonight with this chordThis is life, this is death
This is right, this is breath
This is true, how I feel
This is raw, this is realDon't take what you need
Leave me here just to bleed
I can break just like you
I can cut, I can bruise
This is raw
This is realMake me right, can't you see
That tonight, victory
Make a right, instantly
That tonight, victoryThis is life, this is death
This is right, this is breath
This is true, how I feel
This is raw, this is real
