

# Daddy Never Cried

PFR

Daddy never cried, he just turned away  
Never showed the side that was soft as clay  
What a weak reply  
You live inside a blanket of blame Why would you need a gift of pardoning  
Until your sin becomes your own?  
Soon comes inevitable reckoning  
Then you'll understand  
Just how much true love can change a man Daddy never cried, will not work today  
Put your pride aside, we all need grace  
Somewhere deep inside  
What you love is what you need to hate When will you stop blaming somebody else?  
You make decisions on your own  
You choose to leave the truth for nonsense  
Do you understand  
Just how much the truth can change a man? Daddy never Why would you need a gift of pardoning  
Until your sin becomes your own?  
Soon comes inevitable reckoning  
Then you'll understand  
Just how much true love can change a man Daddy never cried  
Put your pride aside
