Dear Someone

Gillian Welch

I want to go all over the world and start living free
I know that there's somebody who is waiting for me
I'll build a boat, steady and true as soon as it's done
I'm goin' to sail along in the dream of my dear someoneOne little star, smiling tonight knows where you are
Stay, little star, steady and bright to guide me afar
Rush, little wind, over the deep for now I've begun
Hurry and take me straight into the arms of my dear someone
Hurry and take me into the arms of my dear someone
