Broadcast

Fee

I know a name
That is higher than any name
I know the man
Who is breaking the prison chains
He is the one
Who is overtaking the grave

Shake this ground with the victory sound
Our God reigns and we're shouting it loud
We're gonna broadcast all over the world
That You are God and You are good
We're gonna broadcast all over the world
That You are God and You are good

I know the One
Who has conquered the enemy
He is the King of Life and Liberty
All around the world let freedom ring

[Repeat Chorus 2x]

All over the earth
Let it be hear
Our God is good (yeah)
[Repeat 4x]

Come on
Shake this ground with the victory sound
Our God reigns and we're shouting it loud
Lift up your voice let it resound
Our God reigns and we're shouting it lou-d

We're gonna broadcast all over the world
That You are God and You are good [4x]

(We're gonna broadcast all over the world) All over the earth let it be heard
(That You are God and You are good) Our God is good
(We're gonna broadcast all over the world) All over the earth let it be heard
(That You are God and You are good) Our God is good
(We're gonna broadcast all over the world) All over the earth, come on

(That You are God and You are good) Let it be heard, our God is good
(We're gonna broadcast all over the world) All over the earth, come on and
(That You are God and You are good) Let it be heard, our God is Goo-d
(Both parts sung simultaneously)
