

Make It Wonderful (Morlando Club Mix)

Erasure

Tell me something new
There are stories to be told
 Dreams shattering
Lies are flatteringWalks across the stage
 There are secrets to behold
 Thoughts are gathering
Light scatteringLay your words upon me kindly
 Just to remind me
 I'm blinded by the lights
Whisper something gently to me
 The words of love you know
I'm blinded by the lightYou make it wonderfulSee the northern lights
 As they dance across the sky
 They are inspiring
They take your breath awaySome will walk alone
 They will never know the truth
 Hidden messages
Shine like diamondsLay your words upon me kindly
 Just to remind me
 I'm blinded by the lights
Whisper something gently to me
 The words of love you know
I'm blinded by the lightYou make it wonderful
You make it wonderfulInnocence is so inspiring like a child will dream at night
When my ship comes in so full of wonder and remorseLay your words upon me kindly
 Just to remind me
 I'm blinded by your lights
Whisper something gently to me
 The words of love you know
I'm blinded by the lightYou make it wonderful
 You make it wonderful
 You make it wonderful
 You make it wonderful
