

# Candy Kisses

**Tony Bennett**

Candy kisses wrapped in paper mean more to you than any of mine  
Candy kisses wrapped in paper you'd rather have them any old time  
You don't mean it when you whisper those  
sweet love words in my ear  
Candy kisses wrapped in paper mean more to you than mine do dear  
I built a castle  
Out of dreams, dear  
I thought that you  
Were building one too  
Now my castles  
All have fallen  
And I am left  
Alone and blue
