Factory Made

Jerry Leger

Factory Made
I don't need to be seen by anyone
Who couldn't wait around
Vampires preying on the dolled up shakers
There's a few in everybody's town
You rely on a wishing well
I won't jump in your way
Make your own good luck
I won't shut down your red carpet parade
It's so easy
Factory made
You make it seem so easy
Factory made
Big eyed pilots
The Canadian dream
I feel free most of the year
Treat 'em like Gods
You don't know who they are
Smoke the pipe
Shed 'em a tear
The man in the big chair says he's a friend of mine
But I don't see it that way
Turns a blind eye
Pretends nobody dies
It don't make the news that day
It's so easy
Factory made
You make it seem so easy
Factory made
Follow the leader down the old mine shaft
Get you in the end
When all you can do is look back on a life
Of trying to fit in
Lost my mind and a girl so divine
In a fixed poker game
They'll run me out of town
Or just shoot me down
If they get to have it their way
It's so easy

Factory made
You make it seem so easy
Factory made
