

# When Songbirds Sing

## The Rocking Horse Winner

### VERSE I

from sea to sea  
a bridge lies between you and me  
walk across this world in harmony  
when songbirds sing  
deep blue sky  
in my dream I could almost fly  
but I don't even have to try  
when songbirds sing

### CHORUS

when my world caves in  
I'll find peace within  
hearing your voice again  
when songbirds sing  
when my world caves in  
and the lights go dim  
hearing your voice again  
brings comfort to me

### VERSE II

a comfort so soothing to me  
as soothing as this melody  
when songbirds sing  
evening tide  
wash away all these deep blue nights  
happiness won't seem to pass you by  
when songbirds are singing

### CHORUS

when my world caves in  
I'll find peace within  
hearing your voice again  
when songbirds sing  
when my world caves in  
and the lights go dim  
hearing your voice again  
brings comfort to me

way-oh way-oh (way-oh way-oh)

way-oh way-oh (ahhhhhhhh)

way-oh way-oh ohhhhh
