

Don't Know How To Act

Flo Rida

I'm in the club
Kush got it burnin' up
I'm poppin' bottles 'n
I'm fuckin' up the furniture
I'm in the club
DJ gon turn it up
Got a flock of models
'N we fuckin' up the furniture
All my niggas gettin' money
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
30 dudes 'n we stuntin'
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
Got a whole lotta hoes
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
Yeah, my pockets all swollen
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
Hey, wipin' my pumps, poppin' that Dom, pardon melange
Show stoppin', no flockin', I'm about to perform
Wife beater on, VIP, like the eye of the storm
I'm project, I'm ghetto, hood, better ring the alarm
Cold flu, cause I just blew 30 off cash
Blue with my swag, that's that Gucci duffle bag
Goops coming through I got sparklers on the mag
Flo Rida act a fool, have a furniture attack
Well cause I'm young gettin' money, homeboy in Phantoms and Lac's
I'm in the club with my King Johnny's them diamonds is black
Shorty she lovin' my tattoos ingrained on my back
Muggin' and thuggin' the trap crew we step like Da Brat
Married the rubberbands, hustlin', hustlin'
Got a squad gutter man, so we musclin', musclin'
Security guard, touch the clan, then we, tusslin', tusslin'

Tear apart, hit the fan, now they runnin' and duckin'

I'm in the club

Kush got it burnin' up

I'm poppin' bottles 'n

I'm fuckin' up the furniture

I'm in the club

DJ gon turn it up

Got a flock of models

'N we fuckin' up the furniture

All my niggas gettin' money

(Don't know how to act)

(Don't know how to act)

(Don't know how to act)

30 dudes 'n we stuntin'

(Don't know how to act)

(Don't know how to act)

(Don't know how to act)

Got a whole lotta hoes

(Don't know how to act)

(Don't know how to act)

(Don't know how to act)

Yeah, my pockets all swollen

(Don't know how to act)

(Don't know how to act)

(Don't know how to act)

Hey, 20 bottles or better

I'm comin' in the club and I'm standin' on ya on the tootise leather

I gotta be fly, Kid Rock-in that derby with the feather

That good in the sky, got the kush from Cali control the weather

So hood, so hot, so what? Security wanna ban my record

Some fools on this, open up on the Oprah Winfrey show is no pressure

My crew full of dubs and we stunt like dollaz come with propellers

Everybody gotta grub in my pockets, gettin' paper is pleasure

Homie don't you f'n with heifers that square me up like checkers

And I might undress her all just because my diamonds caress her

Meet uncle fester, ballin', my shawties they hot as peppers

Don't know how to act I got stack full of mice looking for cheddar

Down for whatever, hey!

I'm a donut nigga like glazed

On a couch like this my stage

Get money, don't get a nigga paid in Dade

They probably see minimum wage

My deal is Ace of Spades, but I still like grape Kool-Aid

I ain't really got minutes, I party just like hooray!

I'm in the club
Kush got it burnin' up
I'm poppin' bottles 'n
I'm fuckin' up the furniture
I'm in the club
DJ gon turn it up
Got a flock of models
'N we fuckin' up the furniture
All my niggas gettin' money
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
30 dudes 'n we stuntin'
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
Got a whole lotta hoes
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
Yeah, my pockets all swollen
(Don't know how to act)
(Don't know how to act)
(Don't know how to act)
I'm in the club
Kush got it burnin' up
I'm poppin' bottles 'n
I'm fuckin' up the furniture
I'm in the club
DJ gon turn it up
Got a flock of models
'N we fuckin' up the furniture
