

# Sickness within

## Hatesphere

I feel a sickness within  
My body is on fire  
Worms crawling underneath my skin  
My life is wrapped in sin  
Chrous:I...  
thin my blood  
With bloodshed eyes and shaking hands I fill my cup  
This will bring me back on top  
I feel it flowing through my veins  
I feel it clouding my brain  
And the world grows distant  
This is my moment of clarity  
I...  
thin my blood  
With bloodshed eyes and shaking hands I fill my cup  
This will bring me back on top  
Paranoia  
World of fire  
This war within  
The sickness within  
When the demons scream for more  
I crack bottles 'till I hit the fuckin' floor  
And I'm never going black  
I sink my brain into a world in black  
I...  
thin my blood  
With bloodshed eyes and shaking hands I fill my cup  
This will bring me back on top
