

Raise Hell (Studio)

Anthrax

I'm runnin'
I'm tryin' to break away
It's gettin' heavy
There's no way I can stay I'm going under
It's burnin' up my mind
Release the feeling
I'm runnin' out of time Raise hell, raise hell, raise hell
I'm on fire
Raise hell, raise hell, raise hell
Can't hold back desire
Only desire I'm on the outside
Always looking in
You know the heats on
Ready to begin And when I'm inside
You stare into my eyes
When it's over
You see through my disguise Raise hell, raise hell, raise hell
I'm on fire
Raise hell, raise hell, raise hell
Can't hold back desire
Only desire
[Incomprehensible] Raise hell, raise hell
I'm runnin' out of time
Raise hell, raise hell Raise hell, raise hell, raise hell
I'm on fire
Raise hell, raise hell, raise hell
Can't hold back desire
Come on, only desire, raise hell
