Nothing To Lose (Isabelle Antena)

Thievery Corporation

Nothing to lose
If we are wise
We're not expecting rainbow-colored skies
Not right awayNothing to lose
It might be fun
Don't talk of spending life times in the sun
Although we mayBoth you and I have seen what time can do
We'll only have ourselves if we build dreams that don't come true
What can we lose
We know we'll scar
Let's wait before we talk of evermore
One day we may
Nothing to lose
But lots to gain if love decides to stayBoth you and I have seen what time can do
We'll only have ourselves if we build dreams that don't come true
What can we lose
We know we'll scar
Let's wait before we talk of evermore
One day we may
Nothing to lose
But lots to gain if love decides to stay
Nothing to lose
