Like a Killer

Scarling.

Like my father
Dodging army coat
He never thought that I'd sink or float
I'd be dismissed
By fear or fist
Which made me angry
Like a classmate
My name on his desk
I liked him better
Coz he's on my chest
He said I'm wrong
Now move along
Rejected - angry
Oh, oh, oh, oh, ohNothing like love, sex
Everything, its all or nothing
Oh, I would kill anyone for youLike a liar
Oh what have you done?
No happy ending
Kitten with the gun
Fought tooth and nail
To no avail
Frustrated - angryLike a sister,
Never good enough,
So I was weird
Over fed and deaf
With wounded words
It sounds absurd
That left me angry
Oh, oh, oh, oh, ohNothing like love sex
Everything, its all or nothing
Oh, I would kill anyone for you.
Love drug, I'm not in love,
It's all, all, all sex, apathy,
Oh, I would kill anyone for you.You're like a killer
In the dead of night
You rip me open
And I will not fight
For on this day
I will just layQuiet, not angry

Quiet, not angry.
