

# Like a Killer

## Scarling.

Like my father  
Dodging army coat  
He never thought that I'd sink or float  
I'd be dismissed  
By fear or fist  
Which made me angry  
Like a classmate  
My name on his desk  
I liked him better  
Coz he's on my chest  
He said I'm wrong  
Now move along  
Rejected - angry  
Oh, oh, oh, oh, oh Nothing like love, sex  
Everything, its all or nothing  
Oh, I would kill anyone for you Like a liar  
Oh what have you done?  
No happy ending  
Kitten with the gun  
Fought tooth and nail  
To no avail  
Frustrated - angry Like a sister,  
Never good enough,  
So I was weird  
Over fed and deaf  
With wounded words  
It sounds absurd  
That left me angry  
Oh, oh, oh, oh, oh Nothing like love sex  
Everything, its all or nothing  
Oh, I would kill anyone for you.  
Love drug, I'm not in love,  
It's all, all, all sex, apathy,  
Oh, I would kill anyone for you. You're like a killer  
In the dead of night  
You rip me open  
And I will not fight  
For on this day  
I will just lay Quiet, not angry

Quiet, not angry.
