

# Free Throws (produced by First Team All State)

## The Cool Kids

It's like buckets, bottoms, another for the home team  
Only cock blockers is blocking and they don't know me from a hole in the floor  
What you posing for? Taking snapshots in the dressing room with your phone  
awe them clothes you ain't buying 'em you trying 'em on  
You flying home on the e way, your b day on Thursday  
Your girls tryin' to pre-game and y'all look thirsty  
purse full of hair, that she gotta get it sewn in later on, every party that she going playing her song  
she just trying to get attention, he spent ben franks in an instant  
bendin' them limbs is all that I'm interested in  
I don't need no help with the free free throws  
we don't even need no glass and that's why  
we know we keep close on the freaks take shots at the ...ride  
I don't need no help with the free free throws  
I don't need no help with the free free throws  
I don't need no help with the free free throws  
shots at the ...ride  
Light way I'm the man so pass the ball  
Invite two friends tell the car to move  
...over time and I'm trying to score  
Like the last minute take for the off  
When I leave I'm going home,  
...second couldn't disagree with me, had a couple drinks with me and I got her out of there  
real fast like they kicked us out, minutes later at the table wiped the eye hop  
with a real cheese sandwich and an ice cold popping  
wanna eat dinner so had to take it out  
Yeah, like let's do a shot, it's candidate watch this let's take a shot  
then we can get it popping they can play it rocking  
let's get it rumble  
I don't need no help with the free free throws  
we don't even need no glass and that's why  
we know we keep close on the freaks take shots at the free throw ride  
I don't need no help with the free free throws  
I don't need no help with the free free throws  
I don't need no help with the free free throws  
shots at the free throw ride  
I don't need no help with the free free throws  
we don't even need no glass and that's why  
we know we keep close on the freaks take shots at the free throw ride  
I don't need no help with the free free throws

I don't need no help with the free free throws  
I don't need no help with the free free throws  
shots at the free throw ride.
