Why I Love You

Prefuse 73

Oh, yeah uh, I love you
Check this out
From day one you and I've been friends
Hanging' out, having' fun, chilling'
Now I know at times I got crazy
Silly ways and actin' shady
Ha, ha ha ha, check this out
You peep things in me no one sees
You hold it down for sheezy
Now I have friends I thought were true
But no one more true than you
So what am I gonna do?
It took a while for me to see
How special you treated me
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
No other girl is quite like you
And no one has my back like you do
Girl, you're one of a kind
And you blow my mind, baby
And I'm glad to say you're mine
Girl, you're the one who changed me
From a boy into a man, yeah, yeah, yeah
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
It took a while for me to see
How special you've treated me
Maybe that's the reason why I love you
You're my heart, girl

And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
Maybe that's the reason why I love you
(Why I'm so crazy over you)
You're my heart, girl
And with all the crazy things that I do
(Oh, crazy things that I put you through)
You're still here. girl
No one else can make me feel like you do
(No one else can make me feel this way)
You've shared my world
Baby that's the reason why I love you
I love you
Maybe that's the reason why I love you
