

I

Kiss

I was so frightened
I almost ran away
I didn't know that I could do
Anything I needed to And then a bolt of lightnin'
Hit me on my head
Then I began to see
I just needed to believe in me Then I, I believe in me
And I, I believe in somethin' more
Than you can understand
Yes, I believe in me Then I, I believe in me
And I, I believe in somethin' more
Than you can understand
Yes, I believe in me They said, "I didn't stand a chance"
I wouldn't win no way
But I've got news for you
There's nothin' I can't do Ain't no pretendin'
Ain't no make believe
But I've got to be the one
I gotta do what must be done Then I, I believe in me
And I, I believe in somethin' more
Than you can understand
Yes, I believe in me Then I, I believe in me
And I, I believe in somethin' more
Than you can understand
Yes, I believe in me
I believe in me
Yes, I believe in me, yeah I don't need no money
I don't need no fame, no
I just need to believe in me
And I know most definitely Don't need to get wasted
It only holds me down
I just need a will of my own
And the balls to stand alone 'Cause I, I believe in me
And I, I believe in somethin' more
Than you can understand
Yes, I believe in me I believe in me
I believe in somethin' more
Than you can understand
Yes, I believe in me Yes, I believe in me

Yes, I believe in me
Yes, I believe in me
