Fatboy Slim

What the fuck?They know what is what
But they don't know what is what
They just strut, what the fuck?They know what is what
But they don't know what is what
They just strut, what the fuck?They know what is what
But they don't know what is what
They just strut, they just strut
What the fuck? What the fuck?They know what is what
But they don't know what is what
They just strut, what the fuck?They know what is what
