

Trampoline

Kalin and Myles

You turn me on, I like what I see
When you bounce that thang, like a trampoline
Girl this your song, you know you a freak
So bounce it for me, make it go trampoline I met her in the function she was gettin' low (Low)
Throw it back, drop it down, tell me when to go (Go)
Can you do what you doin' now reciprocal (Ye)
Stretch it out, let me see you get physical
She got a work permit (Get it)
Gimme whatcha got let me work with it
Uh yikes, some she be learnin' it
And you knew you gon' get another turn with it (Aye)
Bad one and she good on the floor (Good on the floor)
I like the way she take it slow (She take it slow)
Uh and she can twerk, I don't doubt that (Nah)
But let me see if you can bounce that
Where you at girl? (Let me see if you can bounce that) You turn me on, I like what I see (You know I do girl)
When you bounce that thang, like a trampoline
Girl this your song (Bounce with it girl), you know you a freak
So bounce it for me, make it go trampoline Bounce, bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce, bounce, bounce
Like a trampoline
Trampoline with it
Bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce
So bounce it for me
Make it go trampoline Look, alright stop, green light let's get it (Get it)
Holdin' on to the wall when she dip it (Dip it)
Imma, Imma put the key in the ignition (C'mon)
Peddle to the floor, I'll see you at the finish
When she do it, she get it and yeah she got a lot (Aye)
Started out at the bottom and now she on the top
See her shakin' the table and we gon' let it rock (Let it rock)
I got her pattin' me down in here like she the cops
Bad one and she good on the floor (Good on the floor)
I like the way she take it slow (She take it slow)
Uh and she can twerk, I don't doubt that (Doubt that)
But let me see if you can bounce that
Clap, clap get it (Let me see if you can bounce that) You turn me on, I like what I see (I really do girl)
When you bounce that thang, like a trampoline (Okay)

Girl this your song, you know you a freak (I know)
So bounce it for me, make it go trampoline Drop that thang like it's your birthday
Got a sweet tooth just for your cake
You got all these dudes so thirsty
Girl don't be shy Clap, clap get it Drop that thang like it's your birthday
Got a sweet tooth just for your cake
You keep all these dudes so thirsty
Girl don't be shy (Let me see if you can bounce that) You turn me on, I like what I see (You know I do girl)
When you bounce that thang, like a trampoline (uh huh)
Girl this your song (this your song), you know you a freak
So bounce it for me, make it go trampoline Bounce, bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce, bounce, bounce
Like a trampoline
Trampoline with it
Bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce
So bounce it for me
Make it go trampoline
