

Pretty Friend (2014 Remaster)

Frente!

there's a girl i know with a poison rose
she's gonna bring her
i suppose everybody's got a pretty friend
the words they buy
the time they spend
goodnight when her friend's around
she disappears
amid the broken stems
and tears everybody's got a pretty friend
the words they buy
the time they spend
goodnight it's a bitter pill
and it's hard to swallow
she could take the lead
but she never follows the bed of roses
turn to nails
the best laid plans
always fail everybody's got a pretty friend
the words they buy
the time they spend
goodnight
goodnight
da-la-la-la-la...
