The Passenger

Iggy Pop

I am the passenger and I ride and I ride

I ride through the city's backsides

I see the stars come out of the sky

Yeah, the bright and hollow sky

You know it looks so good tonight I am the passenger, I stay under glass

I look through my window so bright

I see the stars come out tonight

I see the bright and hollow sky

Over the city's ripped backsides

And everything looks good tonightSinging, la la laGet into the car

We'll be the passenger

We'll ride through the city tonight

We'll see the city's ripped backsidesWe'll see the bright and hollow sky

We'll see the stars that shine so bright

Stars made for us tonightOh, the passenger

How, how he rides

Oh, the passenger

He rides and he ridesHe looks through his window

What does he see?

He sees the sign and hollow sky

He sees the stars come out tonight

He sees the city's ripped backsides

He sees the winding ocean driveAnd everything was made for you and me

All of it was made for you and me

'Cause it just belongs to you and me

So let's take a ride and see what's mineSinging, la la laOh, the passenger

He rides and he rides

He sees things from under glass

He looks through his window sideHe sees the things that he knows are his

He sees the bright and hollow sky

He sees the city sleep at night

He sees the stars are out tonightAnd all of it is yours and mine

And all of it is yours and mine

So let's ride and ride and rideSinging, la la la
