Through Glass (Dj Villain Remix)

Stone Sour

I'm looking at you through the glass
Don't know how much time has passed
Oh God, it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
When no one ever tells you that forever feels like home
Sitting all alone inside your headHow do you feel? That is the question
But I forget, you don't expect an easy answer
When something like a soul becomes initialized
And folded up like paper dolls and little notes
You can't expect a bit of hope
And while you're outside looking in
Describing what you see
Remember what you're staring at is me'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
When no one ever tells you that forever feels like home
Sitting all alone inside your headHow much is real? So much to question
An epidemic of the mannequins
Contaminating everything
When thought came from the heart
It never did right from the start
Just listen to the noises
(No more sad voices)
Before you tell yourself
It's just a different scene
Remember it's just different from what you've seenI'm looking at you through the glass
Don't know how much time has passed
And all I know is that it feels like forever
When no one ever tells you that forever feels like home
Sitting all alone inside your head'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
When no one ever tells you that forever feels like home
Sitting all alone inside your headAnd it's the stars
The stars that shine for you
And it's the stars

The stars that lie to youAnd it's the stars
The stars that shine for you
And it's the stars
The stars that lie to youI'm looking at you through the glass
Don't know how much time has passed
Oh God, it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your headAnd it's the stars
The stars that shine for you
And it's the stars
The stars that lie to youAnd it's the stars
The stars that shine for you
And it's the stars
The stars that lie to youWho are the stars
Who are the stars they lie
