Scream Silence

be my fellow through
the frozen pale
and in the purple tune
my nightingalesend me an echo when
the curse begins
i need your confidence
to all my sinsconceal my trace
conceal my vault
conceal it tender at your soul
conceal my face you're my
hideawaycome seal my veils
conceal my wound
conceal the poems at your tongue
conceal my face you're my
hideawaydont let the crowd close to
my consecrate
they just want detain you
to elevatestay in oblivion
until i call
and if i crown my sin
the veil will fall
