

Hemorrhage (In My Hands) [Live Acoustic]

Fuel

Memories are just where you laid them
Drag the waters till the depths give up their dead
What did you expect to find
Was there something you left behind
Don't you remember
Anything I said when I said Don't fall away
And leave me to myself
Don't fall away
And leave love bleeding in my hands
In my hands again
And leave love bleeding in my hands
In my hands
Love lies bleeding Hold me now I feel contagious
Am I the only place that you've left to go
She cries her life is like
Some movie black and white
Dead actors faking lines
Over and over and over again she cries Don't fall away
And leave me to myself
Don't fall away
And leave love bleeding in my hands
In my hands again
And leave love bleeding in my hands
In my hands
Love lies bleeding And I want you
But you turned away
You don't remember
But I do
You never even tried Don't fall away
And leave me to myself
Don't fall away
And leave love bleeding in my hands
In my hands again
Leave love bleeding in my hands
In my hands again
Leave love bleeding in my hands
In my hands again, oh
