Lord it's gonna rain  
It's gonna rain  
You betta get ready and bear this in mind  
God shole know the rainbow sign  
It won't be water but fire next time

Verse 1:

Way back when, the bible days  
Noah told the people it's gonna rain  
But when he told 'em they paid him no mind  
And when it happened they was left behind

Chorus

Verse 2:

They tell me when the water begin to pour  
They knocked on the window they knocked on the door  
They didn't know exactly what to do  
Now you don't want this to happen to you

God got the key you can't get in  
If something don't happen to the hearts of man  
The same thing gonna happen again
