The Sound

The 1975

[Chorus]
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart[Verse 1]
I can't believe I forgot your name
Oh baby won't you cum again?
She said "I've got a problem with your shoes
And your tunes, but I might move in
And I thought you were straight, now I'm wondering"[Pre-Chorus]
You're so conceited, I said "I love you"
What does it matter if I'm lying to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you "just don't get it"
Cause I know you do[Chorus]
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart[Verse 2]
It's not about reciprocation it's just all about me
A sycophantic, prophetic, Socratic junkie wannabe
There's so much skin to see
A simple Epicurean philosophy
And you say I'm such a clichÃ©
I can't see the difference in it either way
And we left things to protect my mental health
But you'll call me when you're bored and you're playing with yourself[Pre-Chorus]
You're so conceited, I said "I love you"
What does it matter if I'm lying to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you just don't get it
Cause I know you[Chorus]
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound

I know the sound, of your heart[Instrumental Bridge][Chorus]
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart
Well I know when you're around cause I know the sound
I know the sound, of your heart
