

She's The Boss

Mick Jagger

Stay home my child, stay home with me
Stay home my child, stay home with me
Oh please!
When I first met you, you looked so soft
So feminine, you looked so lost
What a fool I was
You called me manly, so masterful
You called me manly, so powerful
Was I ever gullible
She's the boss! She's the boss!
So I stay home, I stay home, stay home, stay home
It's all over, the party's over!
It's all over, I'll just shut my mouth
Now don't be cruel! Say you don't mean it
Now don't be cruel! Say you don't mean it
You the boss! Are you the boss?
She's the boss!
She's the boss in the office, she's the boss in the kitchen,
She's the boss in bed, she's the boss in my head
She's the boss! Okay!
You're the boss! Okay!
You're the boss! Okay! Okay! Okay!

I do what you say! Okay!
Now she's the governor, she's number one
From where I'm standing, I'm just a bum
Stay home, I stay home, stay home, stay home
It's all over, the party's over!
It's all over, the party's over!
The party's over!
Okay, I'll do what you say baby, it's okay
You want breakfast in bed? You got breakfast in bed
You want me to hold all calls? I'll hold all calls
You want me to fix your hair? I'll fix your hair
You want me to fix your dinner? I'll fix your dinner
You want me to stay up late? I'll stay up late
No problem, no problem
She's the boss! She's the boss!
It's all over, the party's over!

I'll keep my big mouth shut
Yes, she's the boss, she's the boss!
She's got the pants on, now she's the boss!
I stay home. What'd I say? -aca
