Belzebu 2

Skylark

Answer me, it's too late to say farewell
it's too late to tell me that our lord has gone
Answer me, it's too late to find the way
But I'm always here to face another dayBack to the past, I saw a lifetime
No time to rest, no time to fly
Out in the garden, I see my hell behind
Blow up like fire, your love deniedHit in my heaven, bring my heaven, find my heaven
Please come back to heaven, just my heaven
Faded wings that couldn't go inside our power unkownAnimals, dying or living are crying, BELZEBU
Look at him higher, jump to this fire, BELZEBU is here for you
