

Day After Day

[Lindell Cooley](#)

Your love is higher than the mountain
Your grace is deeper than the sea
Your mercy never ceases to amaze me
Day after day Your love for me remains

Your love is higher than the mountain
Your grace is deeper than the sea
Your mercy never ceases to amaze me
Day after day Your love for me remains

Deep within my heart
I'm crying out for You
Wrap Your arms around this heart of mine
Each and every day, Lord I give You all my praise
I am falling so in love with You

Your love is higher than the mountain
Your grace is deeper than the sea
Your mercy never ceases to amaze me
Day after day Your love for me remains

Morning by morning
My eyes can see the sun
And all of my worries fade away
Jesus my Saviour
You are the music of my heart
You gave me the reason to give my very best

Day after day
Your love for me remains

Day after day
Your love for me remains
