

# Desire To Desire (Dark Side Extended Mix)

## In Trance 95

This feeling's over me  
Inside me there's a fire  
Oh how could it be I travelled such a long time

Faces empty places  
Everywhere I've been Desire to desire  
This feeling's over me  
Inside me there's a fire  
Oh how could it be I cared for such a long time  
Many times I played your game  
I followed everywhere your steps  
Now nothing I could claim  
Desire for desire  
This feeling's over me  
Inside me there's a fire  
Oh how could it be
