

# Happy Happy Happy

## Poor Rich Ones

You fine people keeping my hands  
Warm, you leave a table before me  
Hurt my knee, falling in snow  
By a blue car, the cold loose? my summer  
In between time you know you're nothing  
In between time you know you're nothing  
You follow her late at night  
No one sees you, I can hear you wait  
You talk to friends through me  
Unpressured only two weeks before I leave  
In between time you know you're nothing  
In between time you know you're nothing  
In between time  
In between time you know you're nothing  
In between ... you know no-o-thing  
Are you happy now?  
Are you happy now?  
Are you happy happy happy now?
