Check Your Head

Nicki Bluhm and The Gramblers

I believe you're lonely
You could be my one and onlyYou better check your head
before you wind up dead
oh ohall your friends say you lost your mind
(check out your mind baby)
walk the streets crying all the time
(you're crying all the time)you better check your head
before you wind up dead.
oh ohI'm the one you're calling, baby all the way until
(You know I got your back)
Worry about you baby by the way you treat yourself
(you'll have a heart-attack)
I'll be waiting for you, baby all the way until
(until the sky turns black)
I won't let you go, I won't let you go, I won't let you go ohohoh
overheard from far away,
you've been crying almost every day
(every day)You better check your head
before you wind up deadYou better check your head
before you wind up dead
