

# One More Summer - Jonas Quant Remix

## No Doubt

I've been wasting all this time  
But I can't let go  
'Cause it's just the way I feel  
Getting used to your mistakes  
But I can't let go  
Do you ever think I'll heal?  
And you could be right  
And I could be wrong  
Year after year always rewinding where we've gone  
One more summer  
One more weekend  
I'm your lover  
You're my weakness  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh  
In between the longest days  
And the shortest nights  
It always comes back to you and me  
I could be right  
And you could be wrong  
I can't believe it has it really been this long?  
One more summer  
One more weekend  
I'm your lover  
You're my weakness  
I don't think I can change  
I can't stay away  
One more summer  
One more summer  
Oh, oh, oh, oh, oh, oh, oh  
And you could be right  
I could be wrong  
Year after year always rewinding where we've gone  
And I could be right  
I could be wrong  
Year after year after year after year after year after  
One more summer  
One more weekend  
You're my lover  
I'm your weakness  
I don't think I can change  
I can't stay away  
One more summer  
One more summer  
One more summer  
One more weekend  
You're my lover  
I'm your weakness  
I don't think I can change

I can't stay away  
I don't think I can change  
I can't stay away One more summer  
One more summer
