

## Vineyard

I will wait upon the wind,  
I will wait upon the wind,  
will wait upon the wind, to carry me away.  
I will wait upon the wind,  
I will wait upon the wind,  
cause I know that they who wait upon the wind,  
you will rise them up like the eagle,  
rise them up like the eagles,  
they will run and not faint,  
they'll run and not faint,  
they will wait upon the wind,  
they will wait upon the wind,  
I will wait upon the wind,  
to carry me away,
