

High Note

B K Andrews

She steady tellin' me her dude ain't the type she like
And the reason she ain't leavin' is 'cause he's so nice
Or due to special occasions like birthday shit
That's election just in need for some birthday dick You can spend it with your man, y'all can walk them malls
Tear that motherfucker down, I just want your draws
That's why I'm laughing every time you call
'Cause I know that you're in love with how I broke it off The nigga strokes too soft and she a beast in bed
And when she fucks she talks pussy's deep and wet
And I don't need the taxes, I don't sweat the bitch
And sworn it, damn it, that's some Texas shit And I won't fuck 'em on the first day, I peeps they mind
So they know that what they havin' more important than mine
And when I'm deep inside with speed divine
I'm movin' grown she screamin' hard which means that I'm Makin' you hit the high notes
(She hittin' the high note)
Makin' you hit the high notes
(Hey, you hittin' the high note baby)
Makin' you hit the high notes
(I been makin' you hit the high note) From doing daily at the movies, going out the broads
Make you look like you're a couple when it's not at all
How it is in actualities, so close your mouth
We do better gettin' tracin' down important talk I'm just sayin' that since you got a man it's probably not
In the end is some both of us, someone sees us out
And even if we are just friends that don't justify
You being seeing with a boy like him 'Cause boy that's bad and they know before it's over
You be bend over my sofa while I bust that ass
And while that nigga takin' pictures of you behind your clothes
Sendin' roses to your office while he's crying and sore Stop wonderin' while you left him out in the cold
But she was sloppin' with your business now somebody been told
And it was probably a hoe, probably somebody you know
On your cell phone dial while you were hittin' that note
Now we squeezin' it for Makin' you hit the high notes
(She hittin' the high note)
Makin' you hit the high notes
(Hey, you hittin' the high note baby)
Makin' you hit the high notes
(I been makin' you hit the high note) If she a hoe in the beginning she's a hoe for life
And I can't understand how niggaz make these hoes they wife
You got hoes that's Filipino, you got hoes that's white
You got hoes from Puerto Rico that's just cold as ice And it is what it is ain't no changin' the facts

It was a shame when you only thought they came in black

Now how insane is that, had a change of heart

Though you had them both then it came apartNow she hangs with boys you need to tame your broad

Says until she met him she ain't never came this hard

And the shamest part while you are at home relaxed

I met this ass that's why I wanna break her motherfuckin' backOn the balcony bend over lookin' bad as hell

Finger fuckin' her and slappin on that ass as well

She then inhales then long exhales

And then you hear the sounds of orgasmic, yeah, yeah, I wasMakin' you hit the high notes

(She hittin' the high note)

Makin' you hit the high notes

(Hey, you hittin' the high note baby)

Makin' you hit the high notes

(I been makin' you hit the high note)
